# How to play

Bula! I'm Vonu — let's learn how to play:

- 1 Explore Fiji with your grown-ups — at the beach, at your resort, in a village or out on a tour.
- 2 Start practising your Fijian words now — with your family, with your friends, or with a Fijian local!
- 3 Start completing this Activity Pack — there are counting games, talking games, spotting games, colouring-in activities, and a journal to complete!
- 4 Complete everything to earn your Little Explorer certificate.

Glides through the water like a slow-motion bird.

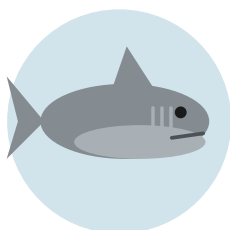

Fish

Reef sharks are shy and usually swim away from you.
